McLean & Muhlenberg US 431 2-1078

QUESTION:

I see that a prequalification for Advanced Traffic Engineering Design and Modeling is required for this submittal. After reviewing the DNA study, it wasn't clear to me where this requirement would be needed. I just want to confirm that this prequal requirement is indeed correct.

RESPONSE:

The prequalification requirement for Advanced Traffic Engineering Design and Modeling was an error. Advanced Traffic Engineering Design and Modeling is not required for responding to the McLean & Muhlenberg US 431 2-1078 advertisement.
